

ForwardHealth Implementation

Member ID Card Issuance Schedule

ForwardHealth will begin issuing new identification cards containing newly assigned member identification numbers to all members enrolled in BadgerCare Plus, Medicaid, SeniorCare, Wisconsin Chronic Disease Program (WCDP), or Wisconsin Well Woman Program (WWWP) immediately following the implementation of ForwardHealth interChange. Cards will be issued in phases, grouped by geographical area based on the member's address. As there are over 900,000 members enrolled in various ForwardHealth programs, it will take several weeks to complete the mailing process for identification cards.
